

## What Others Have Said About The Audio Series FREEDOM IN CHRIST

"Probably the most Biblically true series I've ever heard. The truth was presented with such clarity that it would be very difficult to miss..." —Terry Danley

I just wanted to send an email to let you know that this ministry has been an incredible blessing to me. I've been listening to the sermons on the Judgment Seat of Christ, as well as the Freedom in Christ messages (particularly what is God really like) for about a year now, and God has used them to really revolutionize the way I see Him, and the way we interact. We're a lot closer now, knowing that he really wants me to enjoy my life. I've been able to be a lot more honest and real with God. Thank you for your honesty, because it's helped me to be honest with myself too. 9 out of ten times I've thought the same thing that you mention! Also the stories that you tell stick with me, and make everything more practical. Sometimes when I need a good laugh, I'll just download a message. So bottom line; I just wanted to express my appreciation, because they've been a major catalyst in my growth with God. Thanks a lot!" —Karla Boettcher, via e-mail

"It inspired me and I left feeling great burdens lifted from me."

"I have been to conferences, gone through various Bible Studies, etc., but nothing has changed my life like this."

### FREEDOM IN CHRIST

The Freedom in Christ series begins with sessions on how to overcome unforgiveness, frustration, and anger. The series then focuses on God's character so you will be able to trust Him. His plans for your life are much better than your own. The more accurate your view of God is, the more you'll want to follow Him. This series will also teach you to live by the facts of God's Word rather than by your feelings, to guard your mind from lies, to be free from fear, to see yourself the way God sees you, and to be free from addictive sin. You cannot break free from sin's dominion by using your will power or determination. However, the truth will make you free—once you understand it. Bondage is caused by believing things that aren't even true!

Once we realize we are who God says we are, then we realize we can do what God says we can do. We can fulfill our calling. What does the God of the universe want to accomplish through you? The calling He has placed upon you is a thousand times more important than you have ever imagined, because God wants to impact His Kingdom forever through your life.
