

What Others Have Said About The Video Series THIS WAS YOUR LIFE!

"There is a lot of great information available through various sources, but this series is heart-changing and life-changing. God is renewing my mind and transforming my thought patterns, removing the lies and false teachings I had been programmed to believe. The Truth will set you free! I cannot tell you how much these videos are impacting my life." — H. Burke

"The dynamic of this message cannot be overstated. You will rejoice that you heard it while there is still time to change."

— Iverna Tompkins, Conference Speaker

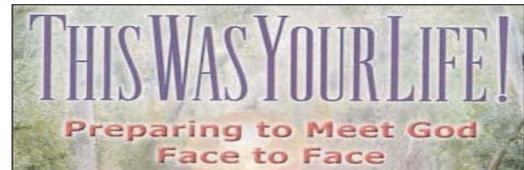

"I'm not sure what to say or how to say it. This was something that, in more than 25 years of being a Christian, I don't believe I have ever heard. This truly is a life-changing word. It changes our outlook on everything. It also puts a new understanding on a lot of confusing Scriptures. When I first heard you speak on this, I knew this was something my whole family needed to hear. When I watched the video, the impact of the message was just as strong. I was truly "blown away." I felt cheated that I had never heard this before, and it left me with a hunger to hear & know more. It is hard to put into words the feelings that I went through because words are inadequate to express what God does in a heart. This is truly a Word that the Body of Christ desperately needs to hear." — V. Ferguson

"Very sobering. It brought much light to the subject [of the Judgment Seat] and helped me focus on the true reason for living—to serve others and be closer and closer to God. I loved everything you said, especially the way you did it. You can touch on harsh subjects in a very gentle way, and talk about something serious with a lot of humor. I wish we had more time! ...simply great!" —Keila Thieme (Sao Paulo, Brazil)

The series entitled "This Was Your Life! Preparing to Meet God Face to Face" will motivate you to live each day in light of that awesome Day when you will stand before God and He will test your works by fire -- to how what was valuable and what was worthless (1 Cor. 3:9-15). God will not only show what you have done, but also why you did those things (1 Cor. 4:5).

Salvation is a free gift based on faith in Christ alone, but God says those who believe are "created in Christ Jesus for good works". Every day God is giving you opportunities to love and serve others. As you learn to live this day in light of "that Day", your life will become very valuable to God and to those around you. As this series teaches you how to develop a servant's heart, you will find yourself experiencing more and more freedom from depression, loneliness, boredom, and stage fright. You will also learn to cast all your cares upon the Lord so that you can spend the rest of your life free from anxiety.
